Attendance Policy 2025-26

Approved by the Governing Body:	24/11/25
Review Date:	September 2026
Signed Chair of Governors:	A. E. Cua

Introduction

This policy has been written to adhere to the relevant Children Acts, Education Acts, Regulations and Guidance from the Department for Education in addition to guidance from the Local Authority. Parents/carers have the legal responsibility for ensuring their child's regular attendance and failure to do so is a criminal offence under Section 444 of the Education Act 1996.

Legislation and Guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on working together to improve school attendance (applies from 19 August 2024) and school attendance parental responsibility measures.

The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the Education Act 1996

- Part 3 of the Education Act 2002
- Part 7 of the Education and Inspections Act 2006
- The Education (Pupil Registration) (England) Regulations 2006 (and 2010, 2011, 2013, and 2016 amendments)
- The Education (Penalty Notices) (England) (Amendment) Regulations 2013

It also refers to:

- School census guidance
- Keeping Children Safe in Education
- Mental health issues affecting a pupil's attendance: guidance for schools

By law, all children become compulsory school age at the beginning of the first term following their 5th birthday. Once a child is of compulsory school age, children must receive a suitable full-time education. For most parents, this means registering their child at a school. However, some choose to make other arrangements to provide a suitable, full-time education.

Once your child is registered at a school, you are legally responsible for making sure they attend regularly. If your child fails to do so, you risk getting a penalty notice or being prosecuted in court.

Our Ethos

We expect all our children to attend school every day that school is in session as long as they are fit and healthy enough to do so. We do all we can to encourage the children to attend and to put in place appropriate procedures to ensure this is the case.

At Walton Peak Flying High Academy, we believe that the most important factor in promoting excellent attendance is the development of positive attitudes towards school. To this end, we strive to make our school an environment that is built on respectful relationships with staff, pupils and families and is a happy and rewarding experience for all in the community.

As a result, we expect all staff members to:

- treat pupils with dignity, build relationships rooted in mutual respect and observe proper boundaries.
- take into consideration the vulnerability of some pupils and the ways in which this might contribute to absence, handling confidential information sensitively.
- understand the importance of school as a place of safety where pupils can enjoy
- trusted relationships with staff and pupils particularly for children with a social worker and those who have experienced adversity.
- communicate effectively with families regarding pupils' attendance and well-being.

In return, we expect all parents and carers to:

- treat staff with respect.
- actively support the work of the school with regards to attendance.
- call on staff for help with attendance when they need it.
- communicate as early as possible circumstances which may affect absence or require support.

In addition to school attendance, we will also make the best provision we can for those children who, due to ill health, are prevented from coming to school.

Under the Education (Pupil Registration) Regulations 1995, the Governing Body are responsible for making sure the school keeps an attendance register that records which pupils are present at the start of both the morning and the afternoon sessions of the school day. This register will also indicate whether the absence was authorised or unauthorised.

We follow the Derbyshire County Council policy on absences.

Going to school regularly is important to a child's future. Children who miss school frequently can fall behind with their work and do less well in exams.

Excellent attendance shows potential employers that your child is reliable. Research suggests that children who attend school regularly could also be at less risk of getting involved in antisocial behaviour or crime.

The school's designated Attendance Leads are Mr. M Parkinson, Miss A Dolphin and newly appointed administration assistant whose responsibilities are identified within this policy.

Aims and Objectives

This attendance policy ensures that all staff, governors and parents in our school are fully aware of and clear about the actions necessary to promote good attendance.

Through this policy we aim to ensure:

- excellent attendance of all of our children
- all stakeholders have a clear understanding of the school's tiered approach
- our universal provision for promoting excellent attendance is shared
- our families, where a child is at risk of persistent absence, receive individualised support
- our families, where a child's attendance is cause of concern, receive targeted support

Definitions

Authorised absence

An absence is classified as authorised when a child has been away from school for a legitimate unavoidable reason and the school has received notification from a parent or carer. For example, if a child has been unwell and the parent telephones the school to explain the absence.

Only the Headteacher can decide on whether an absence is authorised or not. Sometimes, even if absence is supported by parent / carer, an absence will be unauthorised.

Unauthorised absence

An absence is classified as unauthorised when a child is away from school without the permission of the school, even if the absence is supported by the parent.

Procedures

At Walton Peak Flying High Academy, we are relentless in our pursuit of excellence for pupils. We have established robust attendance monitoring and escalation procedures which are initiated in an attempt to prevent absence becoming a problem by taking the following action to ensure that persistent absence is kept as low as possible:

To develop and maintain a culture within our school community where excellent attendance is important, we deliver the following **universal** offer:

- deliver weekly assemblies to promote and celebrate excellent attendance
- pastoral support from Pastoral Support Lead. E.g. ELSA
- communicate the school's attendance on the termly news letter
- incentivise excellent attendance with class team points and certificates
- reward children by class for excellent attendance, weekly attendance bank
- reward individual children termly for excellent attendance and inform their parents
- maintain a relational approach with our children and families; upholding positive relationships
- explicitly teach the importance of attending school every day through assemblies and the curriculum

- first day absence procedure (see Appendix 2 for flowchart)

For all pupils who are below national expectation and at risk of becoming persistently absent, we deliver the following **targeted** approach: (see Appendix 1 for flowchart).

- 4 weekly monitoring of pupils who have fallen below 96.5% by our Attendance Team to ensure that support is offered as early as possible in order to prevent them from becoming persistent absentees.
- Informing parents/carers that their child's attendance has fallen below the national expectation and that their attendance will continue to be monitored in order to ensure they don't become persistently absent from school.
- Outlining to parents/carers the action that will be taken if their child's attendance falls below 90%.

For all pupils who have become persistently absent, our procedures are **specialised**: (see Appendix 2).

- 4 weekly monitoring of pupils, by our Attendance Team, who have become persistently absent from school.
- When a pupil falls below 90%, a wellbeing call is made to the parent/carer by our Children and Family Support Worker to inform parents/carers of their child's attendance and offer support in order to improve the pupil's attendance.
- Weekly check-ins with the Children and Family Support Worker continue to review progress and impact of support given. Improved attendance of 100% is rewarded by a weekly celebration with Miss Dolphin/Mr. Parkinson. Where there is no improvement, the following action is taken:
 1. If there is no improvement in the pupil's attendance over the next 5 days, this will trigger a letter to parents/carers offering them a face-to-face meeting to discuss their child's attendance with the Phase Lead and Children and Family Support Worker. As there has been no improvement, further time off school will be unauthorised without medical evidence.
 2. If there is no improvement, a further letter (Letter 2) will be sent informing them of a given time and date for a face to face meeting with the Attendance Lead and Children and Family Support Worker. A follow-up fortnightly check-in will be agreed. The letter will remind parents /cares, that further time off school will be unauthorised without medical evidence.
 3. If there is no further improvement in attendance, a further letter (Letter 3) will be sent informing them of a given time and date for a face to face meeting with the Head Teacher and Children and Pastoral Support Lead .This letter will also give warning of a penalty notice. A follow-up fortnightly check-in will be agreed.
 4. 10 sessions (5 school days) of unauthorised absence within a 10-week time frame will result in a Fixed Penalty Notice being applied for from Derbyshire County Council.
 5. The Attendance Team will make regular contact via phone and continue to offer help/support and to keep communications open.

For all children who are in receipt of Pupil Premium funding:

- The attendance of all pupil premium children is monitored weekly by our Attendance Team. Feedback from this monitoring is passed onto to our class teacher and Pupil Premium Lead and any actions required are planned.
- The individual needs and vulnerabilities of all our pupils is of great importance to us and taken into consideration when monitoring attendance. Working with members of SLT, the SENDCo, the Pupil Premium Lead and Children Pastoral Support Lead we seek to proactively engage with pupils who have poor attendance.

Registration

- At 8:45am the school doors open and children are welcomed into their classroom.
- At 9:00am class registers are marked
- If children are not in class by 9:05 they will be marked as late.
- Registers close at 9:30am. After this time children will be marked as U having missed their morning mark.
- Registers will be taken again in the afternoon at 1pm.

A full day counts as 2 sessions (AM and PM)

Each class teacher has the responsibility for marking the attendance register at the beginning of the morning and afternoon session.

All attendance records are documented using Arbor software. Attendance registers are legal documents and these must be kept secure and preserved in line with the relevant retention schedule.

Lateness:

Children who are persistently late after close of register soon fall behind with their learning.

Any pupil who comes into school after 09:05am will be marked as late. Records are kept of those pupils who are late; this is documented on the electronic register for each pupil (Attendance code L).

Any child who arrives for school later than 09:30 will be marked as late after close of register (Attendance code U). This is an unauthorised absence for the whole session and will affect your child's overall attendance percentage and can be used to calculate absence thresholds for legal decision making.

Children who have attended a dentist or doctor's appointment and subsequently come to school later than 09:30 will have the absence recorded as a medical absence (Attendance code M). Please provide advanced notice if your child has an appointment.

Persistent Lateness

Absences:

A pupil's parent/carers is expected to call the school in the morning if their child is going to be absent and explain the reasoning.

Where a child is absent from school and we have not received any contact from the parent, then we initiate a first day contact process.

Pupil Absence – Day 1 Procedure: (see Appendix 2 for flow chart)

Parents / carers must inform the school by 8:45am if their child is going to be absent through one of the following methods:

- Phoning the school office and leaving an answer-phone message on 01246 234381 -
- Emailing the school office on office@waltonpeakfha.co.uk

Please note Class Dojo is not monitored for absences.

Once the register is closed at 09:05am, the office staff will identify any children who are absent with no reason and the initial calls are made and text message will be sent before 10am by the Administration Assistant.

If no contact can be made through calling the parents/carers, all other available contacts will be called.

If no contact is made by 11am, the Pastoral Support Lead/Attendance Lead will be informed and will make a further phone call to parents/carers and all other available contacts. If possible, an answer phone message will be left on the parents/carers device informing them that if they do not contact school urgently, then a safe and well home visit will be made.

The Pastoral Support Lead/Attendance Lead will inform DSLs and SLT and a home visit will be conducted.

If no contact can be made from the home visit, a home visit notification will be left (see Appendix 3) at the house requesting immediate contact by the end of the school day.

If a child has a social worker, they will be informed that the child has not been in school today and that they have not been seen when a home visit was carried out.

If contact is not made by the end of the school day, 3:25pm, home visits may be carried out and external professional services may be contacted for advice and to request a safe and wellbeing check. This may include the police.

School will do all they can to contact the pupil each day and continue to follow professional advice. On day 10 of no contact, school will contact Children Missing Education.

Known Pupil Absence – Day 5 Procedure

Medical Absence Procedure

- Every effort should be made to arrange medical appointments outside school hours. If it is necessary for a child to be out of school for this reason, the child should be returned to school directly after the appointment.
- For all appointments, a letter/appointment card or documentation should be provided to the school office of the appointment prior or straight after to ensure that it is marked as a medical absence.

Applications for Leave of Absence in Term Time

In September 2013, the government introduced new regulations making it clear that Headteachers **must not** give approval for any leave of absence during term time, including holidays, unless there are exceptional circumstances.

Any requests for term time leave should be made on a Leave of Absence Request form (available from the school office) and handed in as early as possible, but a minimum of two school weeks before the first date of the requested absence whenever possible. You must have received written authorisation before your child can be absent from school.

Parent/carers may be issued with a penalty notice fine or prosecution should leave of 5 days or more be taken which is not authorised by the Headteacher, or where repeated incidents of leave in term time for less than 5 days occur or where the unauthorised absence contributes to wider poor attendance that meets the legal threshold. (Attendance code G).

Addressing Attendance Concerns

The school expects attendance of at least 96.5%.

It is important for children to establish good attendance habits early on in their school career. It is the responsibility of the Headteacher and the governors to support good attendance and to identify and address attendance concerns promptly. We rely upon parents to ensure their child attends school regularly and punctually and therefore where there are concerns regarding attendance parents are always informed of our concerns.

Monitoring Arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum annually by the Attendance Lead. At every review, the policy will be approved by the Head Teacher and full Governing Body.

Authorised Absence

- An absence is classified as authorised when a child has been away from school for a legitimate reason and the school has received notification at least 2 weeks in advance from a parent or guardian.
- Legitimate reasons include illness, medical appointments (only where they cannot be made outside the school day), religious pilgrimage and some family circumstances.
- Only the Head Teacher can make an absence authorised.
- The school may choose not to authorise in some of these circumstances where the child's education may be adversely affected by ongoing absenteeism.

Unauthorised Absence

Absence from school is likely to be recorded as an unauthorised absence when:

- There is no parental explanation.
- The school is not satisfied with the explanation for an absence.
- You have received a letter stating that no further time off ill will be authorised without medical evidence.

The Law states that for your child to be considered to attend school regularly they must be at school every day they are required to be there by the Head Teacher. Therefore, you have to get permission from the Head Teacher if you want to take your child out of school during term time.

You can only do this if you make an application to the head teacher in advance (as a parent the child normally lives with). This must be with a minimum of 2 weeks notice. The head teacher will consider the application and decide whether this is marked as authorised or unauthorised in the attendance register.

- Head Teachers are no longer permitted to agree a Leave of Absence during term time unless in exceptional circumstances.
- This includes where parents decide to take their children out of school for a family holiday during term time.
- If a parent intends to take their child out of school for a leave of absence during term time, they must have requested this in advance and had their request agreed by the Head Teacher.
- Failure to do this could result in a fine or prosecution.
- It is at the discretion of the head teacher to determine how many days your child can be away from school if leave is granted.

Holidays During School Term Time

In Derbyshire, you could be fined if your child has either:

- 5 days (10 sessions) of unauthorised absence over a rolling 10-week period
- First Offence - The first time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be £160 per parent, per child paid within 28 days. Reduced to £80 per parent, per child if paid within 21 days.
- Second Offence (within 3 years) - The second time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be: £160 per parent, per child paid within 28 days.
- Third Offence and Any Further Offences (within 3 years) - The third time an offence is committed for Term Time Leave or Irregular Attendance a Penalty Notice will not be issued, and the case will be presented straight to the Magistrates' Court.
- If you're prosecuted and attend court because your child hasn't been attending school, you could get a fine of up to £2,500.

Parents who decide not to pay a fine and contest the matter in court should seek legal advice before doing so.

If you decide that you wish to take your child for an unagreed Leave of Absence, please do complete a form informing us of this. This means we will not have to undertake daily phone calls to you, all your contacts, conduct home visits or refer to external agencies as we know where your child is.

Where a pupil who fails to attend regularly, or has been absent without the school's permission for a continuous period of 10 days, schools should follow Derbyshire County Council's Attendance Flow chart.

Attendance Rewards and Incentives

We want to reward pupils for high attendance. We do this in the following ways:

- House attendance is awarded weekly during the celebration assembly.
- Children who have a good/improved attendance record will be awarded at the end of the year.

Appendix

Appendix 1. Attendance Procedure Flowchart

Staged Approach to the Management and Monitoring of Attendance at Walton Peak Flying High Primary and Nursery Academy		
Whole school attendance is monitored termly, or more frequently as appropriate to the needs of the child. Letters are sent to parents clearly detailing their child's attendance at the end of the Autumn, Spring and Summer Terms. The whole school attendance target is based on national attendance and is set at 96%. Attendance is more closely monitored for pupils who are identified as at risk of poor attendance or belong to vulnerable or other identified groups.		
Stage	Trigger	Outcome
1	Attendance falls below 96%	Letter 1 will be sent to parents: • Informing the parents of current attendance % • Reminding parents of their legal responsibilities and the nature of 'persistent absence' • Inviting parents to contact school to discuss attendance further and to see if school can offer any support. Attendance is then more closely monitored for a fixed period of 4 weeks.
2	Parents have received a Stage 1 letter and attendance remains of concern during the monitoring period.	Letter 2 will be sent to parents: • Informing parents of ongoing concern about attendance • Informing the parents of current attendance % • Reminding parents of their legal responsibilities and the nature of 'persistent absence' • Notifying parents that the child's attendance is continuing to be closely monitored and of the duration of the monitoring period. • Inviting parents to contact school to discuss attendance further and to see if school can offer any further support. • Attendance continues to be monitored for a fixed period of 4 weeks.

3	Parents have received a Stage 2 letter and there is no improvement of attendance patterns.	Letter 3 will be sent to parents: • Informing parents of increasing ongoing concern about attendance • Informing the parents of current attendance % • Reminding parents of their legal responsibilities and the definition of 'persistent absence' • Stating that the parents must now provide medical evidence of any absence for illness or absences will become unauthorized. • Parents to attend a meeting at their earliest convenience with the attendance panel, with the purpose of discussing any barriers to attendance, agreeing an action plan of support, considering whether it may be appropriate to involve outside agencies, and setting an internal school attendance target. • Notifying parents that should they choose not to attend, the meeting may take place without them and a target set. • Penalty warning issued to parents in writing.
---	--	--

4	Parents have failed to address an internal school attendance target and attendance remains well below the level of Persistent Absence (90%)	Letter 4 will be sent to parents: • Informing parents of concern around persistent absence • Informing the parents of attendance during the target period. • Notifying parents that the school has no option but to discuss their child's attendance with the appropriate authority and may make a formal referral. • Penalty issued
	During a monitoring period, attendance improves.	A Letter of recognition will be sent to parents: • Informing the parents of the improvement of attendance during the monitoring period. • Notifying parents that the school will continue to monitor attendance and work together to support sustained improvement.

The letters separately attached:

- a. Letter of Attendance
- b. Letter of Concern STAGE 1
- c. Letter of Concern STAGE 2
- d. Letter of Concern STAGE 3
- e. Letter of Concern STAGE 4
- f. Letter of recognition

Dear Parent/carers,

We are writing to advise you that NAMES attendance has fallen to %, this is below the school and national expectation of 96%.

I have enclosed a copy of NAMES attendance record which shows and analysis of attendance, punctuality and whether the absence is authorised or unauthorised.

Good attendance is extremely important as missing school can have an impact on your child's learning, and as I am sure you are aware it is also a legal requirement.

I am required to make you aware of your legal responsibilities in relation to school attendance. Under section 444 of The Education Act 1996 a parent is guilty of an offence if a child of compulsory school age, who is a registered pupil at a school fails to attend regularly at the school.

We will therefore be monitoring NAMES attendance for the rest of this term, and we look forward to seeing an improvement.

If you would like to discuss this further please do not hesitate to contact Miss Dart in the school office.

Yours faithfully

We wrote to you recently about NAMES attendance, informing you of our intention to monitor NAME's attendance last term. Unfortunately, NAMES attendance has not improved, and at the end of last term NAMES attendance was %.

As previously stated it is your legal responsibility to make sure your child attends school, and with this in mind we will be continuing to monitor NAMES attendance and we hope to see improvement.

If NAME's attendance continues to be unsatisfactory and NAME's absences are marked as unauthorised we will have no option but to refer your case to Derbyshire County council for consideration and legal action.

This may result in:

Dear Parent/carers,

Despite several letters and also an attendance meeting NAME's attendance has not improved. Over the last 4 week monitoring period NAME's attendance was %.

Unfortunately, the school has no option but to discuss your child's non-attendance with the appropriate authorities and we may also make a formal referral. A penalty notice will also be issued.

Under section 444 of the Education Act 1996 (as amended by S23.1. Antisocial behaviour act 2003) a fine of one hundred and twenty pounds (£120) payable within 28 days, reduced to sixty pounds (£60), if paid within 21 days, can be imposed for this offence. Failure to pay will result in prosecution under section 444 of the Education Act 1996.

As a school this is not a decision we have taken lightly, however your child's attendance is not meeting the expectations of the school, which in turn is having a negative effect on your child's learning and development.

If you would like to discuss the matter further please do not hesitate to contact Miss Dolphin our Pastoral Lead or Miss Dart in the office.

School attendance update 2024/5

Dear parent/carers

We are writing to you because the Department for Education (DfE) have introduced some new guidance for schools and Local Authorities (LAs) for managing school attendance. They have also introduced a new national framework for penalty notice and amended the law. These changes come into effect from the 19 August 2024 and all schools and LAs across the country will be expected to follow the new statutory guidance.

Support first

The importance of regular attendance at school cannot be stressed enough. All schools and LAs are expected to promote school attendance and provide support to remove barriers where a pupil is struggling to attend school. This may mean that the school raises the issue of attendance even if your child has only had a couple of days off ill. This is not because they don't believe you. By working with you, schools can step in early to help to prevent patterns of absence developing. Schools may identify other underlying issues that are making your child reluctant to attend school and be able to help you and your child.

For this to be successful parents need to work with the school. Where it can be demonstrated that a parent/carers is not fulfilling their parental responsibility to ensure that their child receives a suitable full-time education then the school can consider requesting that the LA take further action. This can be in the form of a penalty notice, prosecution, or the school may suggest other formal interventions.

National Framework for penalty notices

To provide consistency, the Government have introduced a new national framework for when schools and LAs believe that they have exhausted all offers of support and the parent/carers is not engaging with the attempt to improve their child's attendance at school.

The threshold for when a school should consider next steps is 10 sessions (5 school days) of unauthorised absence in a rolling period of 10 school weeks. A school week means any week in which there is at least one school session. This can be made up of any form of unauthorised absence including late after close (attendance code U) of register and odd days of unauthorised absence (attendance code O) which add up to 5 days within a 10-week period.

At this point the school will consider if it is likely that the attendance will improve with further support. They may then decide to refer the case to the LA for formal monitoring. This may proceed to legal action if the attendance does not improve.

Education Penalty Notices are issued to parents of statutory school age children. They can be issued to each parent or carer who is deemed liable for the child's absence from school. The new costs and process is outlined below:

First Offence - The first time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be:

£160 per parent, per child paid within 28 days.
Reduced to £80 per parent, per child if paid within 21 days.

Second Offence (within 3 years) -The second time a Penalty Notice is issued for Term Time Leave or Irregular Attendance the amount will be:

£160 per parent, per child paid within 28 days.

Third Offence and Any Further Offences (within 3 years) - The third time an offence is committed for Term Time Leave or Irregular Attendance a Penalty Notice will not be issued, and the case will be presented straight to the Magistrates' Court.

Term time holidays

Pupils should not be taken out of school during term time unless it is unavoidable. Schools are required to consider requests for leave of absence in term time and should only approve the leave if there are exceptional circumstances. If a request for leave is denied and the pupil is absent for 5 days or more then the school is expected to refer the case to the LA. The LA will issue a penalty notice with no requirement for a formal warning to be issued. Penalty notices can also be issued where a pupil is absent for repeated incidents of unauthorised leave in term time that fall below the 5-day threshold. In every case, the request for the Penalty Notice comes in from the school to the LA for the process to be completed.

New registration codes

You might find that your child's attendance report looks slightly different next year. The DfE have amended some of the codes to include numbers as well as letters. These new codes are to enable schools, LA and the DfE to better understand the reasons for absence.

For example:

Code C: Leave of absence for exceptional circumstance.

Code C1: Leave of absence for the purpose of participating in a regulated performance.

The important thing for you as a parent is still the C which means that the absence was authorised.

There is also a new code which has been introduced for pupils who are on the school roll but are temporarily being provided with an alternative education by the local authority, such as a home tutor.

Code K: Attending education provision arranged by the local authority.

Full details of all of the changes can be found by visiting the Government webpage:

CHANGES TO PENALTY NOTICE FINES FOR SCHOOLS.

After 19th August 2024, the following changes will apply to Penalty Notice Fines issued under the new National Framework.

Per Parent, Per Child: There will now be penalty notices issued to parents for each child absent. E.G. If three siblings were absent for term time leave, each parent would receive a fine for each absence.

5 consecutive days of term time leave: When Term Time Leave exceeds 5 or more consecutive days, penalty notices will be issued. Inset Training Days are school days and can be included in the 5 or more consecutive days, where there was intent to be absent for Term Time Leave.

10 sessions of unauthorised absence in a 10-week period: When 10 unauthorised absences are recorded in ten weeks, fines will be considered.

First Offence: The first time a penalty notice is issued for term time Leave or Irregular Attendance Penalty Notices will be issued:

- £160 per parent, per child paid within 28 days.

Second Offence (within 3 years): After a second penalty notice for Irregular Attendance or Term Time Leave has been issued, the amount will be:

- £160 per parent, per child paid within 28 days

Third Offence and Any Further Offences (within 3 years): An offence for Term Time Leave or Irregular Attendance will not result in a penalty notice, but instead will be dealt with by the Magistrates' Court. A magistrate can impose fines up to £2500 per parent, per child.

When parents are found guilty of failing to safeguard their child's education in Magistrates' Court, the conviction will appear on their future DBS certificates.
