Message from the Head

Well, here we are at the end of another school year, and what a fantastic year it has been!

Our children have achieved so much this year and have enjoyed many wonderful experiences along the way. We are incredibly proud of everything they have accomplished, both academically and personally.

A huge thank you to everyone who supported our Summer Fair. It was a wonderful event with a real community spirit, and together we raised a significant amount of money for the school. Your support is greatly appreciated.

We are delighted to celebrate the achievements of our Year 6 pupils, whose SATs results were above the national average in all areas. An impressive 75% of our pupils achieved the expected standard in Reading, Writing and Mathematics combined, compared with 63% nationally.

Our reading results were particularly outstanding, with 100% of pupils achieving the expected standard, and 42% achieving Greater Depth. These are exceptional outcomes, and the children should be extremely proud of their hard work and success. Please see below for the full results.

As we come to the end of the academic year, I would like to take this opportunity to thank all of our families for your continued support, encouragement and partnership. Working together helps us provide the very best opportunities for our children.

On behalf of all the staff, I wish you a happy, relaxing and enjoyable summer break. Stay safe, and we look forward to welcoming everyone back to school on 8 September.

With best wishes,
All the Staff Team

Fundraising at Walton Peak

We have had an amazing year for Fundraising!

The in school events we have had this year to raise money for the PTFA such as the Colour Run, Easter Egg Hunt, Summer Fayre where we raised a massive **£3,810.75**.
